The Hereward Relay

Sunday 27th November 2011

Stage two (10.5m)

Whittlesey to March

Important Information.

A warm welcome to all teams who have entered this years Hereward Relay.

You must wear your number on the front of your vest or Tshirt.

Please read the rules on the website.

The race is run over different terrains, so it is impossible to marshal every corner. Every effort has been made to ensure that indication arrows are in place where necessary, with marshals at all crucial junctions.

All runners and supporters are asked to take care. There are many vantage points along the route to see the runners.

Cross all roads with care and give way to traffic where necessary. Take notice of instructions from marshals and police.

When finishing your stage make sure your number is visible and stay in order until you receive your horsebrass.
